## Strong Business Community

Miami Township is very proud of our strong business community that serves as part of the 'lifeblood' of the Greater Cincinnati economy. *Cincinnati Business Courier* recently published their 2020 edition of the 'Top Private Companies' in the area, and seven of them are headquartered in Miami Township. Two of these companies: Penn

Station (4,800) and Buffalo Wings & Rings (4,265) are in the top ten of companies with the most overall employees. Congratulations to all these great businesses whose corporate headquarters call Miami Township home!

## Unwanted Item Disposal

There are many resources residents can take advantage of to dispose of large items, electronics, and hazardous waste, and to help keep Miami Township beautiful. Here are a ways you can get rid of those unwanted items:

### LARGE ITEMS (Furniture)

Residential trash removal companies allow for large item pickup. This includes all three of the major companies that service Miami Township - Rumpke, Republic, and Waste Management. Contact your waste and recycling provider for specific guidelines for pickup.

### ELECTRONICS

If your device is working, you can donate it to a charity store like Goodwill or St. Vincent De Paul. If it is not working, residents can recycle up to six items per day at Staples.

### HAZARDOUS MATERIALS

For items deemed hazardous, contact the Adams-Clermont Solid Waste District at (513) 732-7745 or online at [OEQ.net](http://OEQ.net). They will ask for a list with the amount and size of your hazardous materials, then a voucher for a hazardous waste disposal facility in Cincinnati will be sent to you so you do not have an expense. Once received, you can take your materials to the facility and the cost will be billed to the district. If looking for more information about disposal and recycling check out Clermont County's website on the resources tab in frequently asked questions.

For more information on what you can do to dispose of unwanted household items, please contact the Miami Township Service Department at 248.3728. Keep Miami Township beautiful!

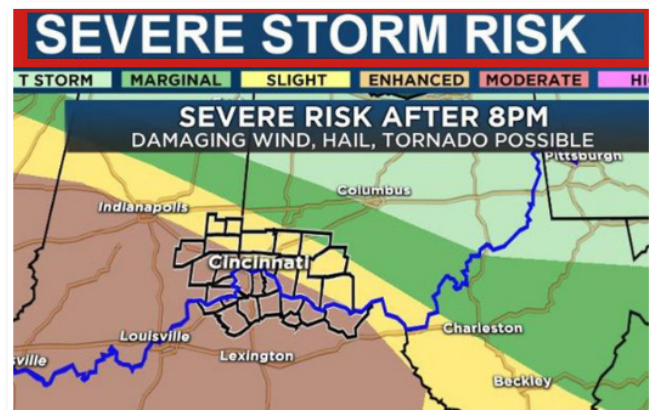

# Power Outage Preparedness

Our community has its fair share of storm-related weather and it has become common for power outages to occur. Storms can pop-up quickly with very short or no notice such as what occurred this past April. That evening a powerful storm with wind speeds up to 90 MPH went through the Township and caused significant damage and power outages for many residents.

No season is exempt, and one part of the community or another is impacted every year. The spring season has the threat of high winds and tornadic activity, the summer has severe thunderstorms, in the fall strong winds are common, and the winter there is the danger of ice. (Ice not only causes dangers when driving, but also contributes to tree limbs breaking off and damaging power lines.) A contributing factor to severe weather power outages is the wooded topography of the Township and that most of the electrical utilities are overhead.

Being prepared for power outages is very important, especially for residents who require specialized medical equipment. Common misconceptions are that the energy company will quickly restore power or that the fire department will provide emergency power to those in need. The energy company establishes a priority list when restoring power. Normally priority is given repairing main feeder lines, and individual residences are lower on the list. In some cases, parts of the community may be without power for several days. More than 44,000 people live in Miami Township and an unknown number require electricity to power medical devices. Unfortunately, the fire department is not equipped to provide emergency power for everyone who will need it.

Due to the nature of storms in our area, it is highly recommended that individuals who rely on electricity to power critical devices establish a back-up plan or invest in a back-up power system. A person who requires home oxygen should have a one- to two-day supply of cylinders. The same medical equipment vendor who supplies the oxygen can be contacted about obtaining additional cylinders. Households with special medical equipment such as a ventilator should investigate having a portable or standby generator. There are various options for these type systems, but a specialized contractor may be required for installation. In any case,

backup generators should be configured so as not to feed electric back into the building's electrical system or to allow carbon monoxide fumes to enter the building.

Miami Township Fire and EMS wants to be sure that all residents are prepared for severe storms and threats of power outages. The department will assist anyone who needs our help, but we are limited with what we can offer. Storms cause a high volume of calls for service and we are not always able to solve a problem, especially when there are wide-spread power outages.

**Be Safe. Be Smart. Be Prepared.**

## Neighborhood Safety

Sergeant John Pryor

Miami Township offers some of the safest areas to live in the Greater Cincinnati area, however that does not mean we are immune to crime. One particular area in which we will be focusing on is neighborhood crime and some tips to help prevent that type of crime.

Oftentimes we can find that as a community, we are in a rush and that may offer opportunities for individuals to commit crimes which do not directly involve a victim. These can include breaking into cars and/or garages, stealing mail, and burglarizing homes. Simple tasks such as making sure car doors are locked with no valuables visible and closing garage doors are deterrents for these types of criminal activity. Making sure your home looks lived in by being outside and keeping up with your yard shows offenders that you are present and invested in the safety of your home.

If you plan on going out of town, perhaps enlist a neighbor to gather your mail and rotate which lights are turned on in the evening. There is also the option of asking to complete a vacation house check in which we will drive by your home and walk the perimeter of the home checking for locked doors to make sure any criminal activity has not occurred. You can request a vacation house check online by visiting [MiamiTwpOH.gov/pd](http://MiamiTwpOH.gov/pd).

As advances in technology have greatly increased over the last twenty years, tools are available to assist in home safety. Security systems have been a staple in home safety for a significant amount of years. Many homeowners are now choosing the route of devices with apps that can notify a homeowner of an individual's presence and one can actually respond to the offender. Those devices also offer the option of recording via apps so a homeowner can later check activity. These offer a more affordable route than your traditional security system.

Miami Township Police are here to assist in helping make our community as safe as possible. We take pride in the safety of our neighborhoods and keeping them safe for the residents. Although these types of crimes are minimal, they do exist and we are here as a community to assist in reducing them as much as possible.

## Low Cost Microchipping Event

The Miami Township Police Department has teamed up with Clermont Animal CARE Humane Society - who runs the Clermont County animal shelter located in Batavia, to provide a low-cost microchipping event! Vet clinics often charge \$60+; however, Clermont Animal CARE Humane Society will be offering this service for only \$25 per pet! Cats are also welcome! This event is open to non-residents as well! Microchipping your pet is the most effective way to ensure your friend isn't away from home for long. The microchips are permanent identification that won't get caught and torn off on branches, etc. The chip is about the size of a grain of rice and it is injected under your pets' skin. It contains a code that is read by a handheld scanner that animal shelters, vet clinics and the Miami Township Police Department have access to. A special database matches the code to your information so you can be notified when your pet is located! This event will be held at Miami Meadows Park (1546 State Route 131 • 45150) on Saturday, **SEPT 19, 1:00pm to 4:00pm** at the main shelter. If you would like to participate in this program, **YOU MUST RSVP** to Officer Annie Morgan at [Ann.Morgan@MiamiTwpOH.gov](mailto:Ann.Morgan@MiamiTwpOH.gov) or call (513) 248.3721 and indicate the number of pets that need microchipped. All proceeds will benefit Clermont Animal CARE Humane Society.

Krystin Thibodeau

This has been an extremely challenging time for our department as we try and forecast what the coming

months will look like with the COVID-19 virus always on our minds. As we entered late spring, we were not sure if we could provide our residents and their children a summer camp experience that they have been used to in previous years. I am happy to report that with extensive training and implementation of new safety protocols we were able to provide a scaled down version of our summer camp programs to our residents. I am very proud of my staff and how they handled the new changes and healthy protocols we instituted. The overwhelmingly positive responses and gratitude for going forward with our summer programs made it all worthwhile.

As we look to the fall our programs will look a little different. We are following the guidance that Governor Dewine has set regarding group sizes of 10 people. Please register early as class sizes will be capped at 9 people. Our School-Age programs will still be offered with limited class sizes.

Our events are still yet to be determined. We are brainstorming as to how we might do a scaled down version of them as well. Please check our website as to any updates.

Best wishes to all our residents and families on staying safe and still maintaining a quality of life that keeps us healthy and emotionally fulfilled.

Miami Township has partnered with Soccer Shots to bring you soccer programs for your children. Soccer Shots has a relentless commitment to providing best-in-class coaching, communication and curriculum as they teach your child the fundamentals of soccer in a non-competitive environment. Soccer Shots coaches are selected and evaluated to not only coach soccer, but also to engage and inspire children. Parents will receive a weekly summary of what their child is learning. The developmentally appropriate curriculum places an emphasis on character development and skill building. Our program is created under the guidance of childhood education specialists, professional soccer players and experienced and licensed soccer coaches who are trained in the use of developmentally appropriate techniques. All equipment will be provided. Shin guards and cleats are not required. **Note:** Parents must be present during **ALL** classes. Sign up for these programs at [www.soccershots.org/cincinnatiorth](http://www.soccershots.org/cincinnatiorth)

Children will also be introduced to competition in a developmentally appropriate manner.

**Skyhawks Sports Camps**

Skyhawks provides a wide variety of fun, safe and positive programs that emphasize critical lessons in sports and life such as teamwork, respect and sportsmanship. Our programs are designed to give each child a positive introduction into sports while fostering a lifelong love for an active, healthy lifestyle. Our patient and knowledgeable staff use a variety of skill-building games and activities to give each athlete a complete understanding and overview of the sport. Since 1979, Skyhawks has taught over two million boys and girls life lessons through sports.

**Please register at [www.Skyhawks.com](http://www.Skyhawks.com)** for these camps. Participants should bring appropriate clothing, running shoes, and water bottle.

**FALL MINI-HAWK CAMP**

Tuesdays, SEPT 29- OCT 20; **MR**

5:15-7:15 pm (Ages 4-7) \$70 R - \$80 NR

This multi-sport program was developed to give children a positive first step into athletics. Baseball, basketball and soccer are taught in a safe, structured environment filled with encouragement and fun. Through games and activities, campers explore balance, hand/eye coordination, and skill development at their own pace.

**FALL BASKETBALL CAMP**

Wednesdays, SEPT 30-OCT 21; **MR**

5:15-7:15 pm (Ages 6-10) \$70 R - \$80 NR

This fun, skill-intensive program is designed for beginning to intermediate players. Using our progressive curriculum, we focus on the whole player - teaching sportsmanship and teamwork. Boys and girls will learn the fundamentals of passing, shooting, ball handling, rebounding and defense through skill-based instruction and small-sided scrimmages.

**FALL BEGINNING GOLF CAMP**

Thursdays, OCT 1- 22; 5:15-7:15 pm; **MR**

(Ages 5-9) \$70 R - \$80 NR

Back by popular demand! Kids will learn the fundamentals of swinging, putting, and body positioning. Skyhawks has adopted the ShortGolf® system to its curriculum. ShortGolf® is specifically designed for the entry-level player. ShortGolf® simplifies instruction so that young players can make an easy and effective transition onto the golf course. All equipment provided.

### TIPS FOR ESTATE PLANNING

Mon, SEPT 28 **or** Wed, NOV 18  
**MTCC**; 7-8:00 pm; \$5 (Person)  
Haven't we all heard horror stories about probate court? Don't you want to be better prepared by having your affairs in order? This class will help people of all ages prepare for the unexpected. Ben Jacobs has firsthand experience with this topic. He is going to help you understand how to properly title your assets, wills, living wills, avoid probate, and understand gifting / wealth transfer. If time allows, he will talk about revocable and irrevocable trusts. There will be **NO** products or services sold during this presentation. **Pre-registration required.**

### BEGINNING INVESTING

Thursday, SEPT 24 **or** Monday, OCT 19  
7-8:00 pm; **MTCC**; \$5 (Person)  
Have you socked away money for a rainy day and now you have built up a nest egg and are wondering what to do with it? Is your bank giving you a low interest rate and you know you can make more? Ben Jacobs is an investment advisor with Waterstone Investment Counsel, LLC and wants to explain the foreign language of investing. He wants you to understand basic investment concepts such as how stocks and bonds work, the differences in mutual funds vs Exchange Traded Funds (ETF's) and how annuities work. There will be **NO** products or services sold during this presentation. **Pre-registration required.**

### GET TO IT.... TAX PLANNING

Tuesday, JAN 12 **or** Monday, JAN 25  
7-8:00 pm; **MTCC**; \$5 (Person)  
Are you wondering when is the best time to take money out of your IRA or 401(K) so you don't have to pay excess taxes? This year...next year? Ben Jacobs along with Guest speaker Steve Hood, CPA with Brixey & Meyer, will explain how to arrange your assets to minimize your tax burden. He will break down some of the language of estate taxes, traditional vs Roth IRA rollovers, taxation of social security and pension income. What's new for 2021! There will be **NO** products or services sold during this presentation. **Pre-registration required.**

### STOCK MARKET INVESTING DO's & DON'Ts

Tuesday, OCT 6 **or** Wednesday, NOV 12  
7-8:00 pm; **MTCC**; \$5 (Person)  
The stock market is a wonderful way to invest and grow your wealth. There are many common mistakes that individual investors make when investing, from buying and selling at the wrong time to watching too much CNBC. The good news is we can identify those mistakes and learn from them. In this class we will explore the stock market and some of the most common mistakes investors make and how to avoid those pitfalls. **Pre-registration is required.** Limited Space. The views and opinions of Waterstone Investment Counsel and Ben Jacobs do not necessarily state or reflect those of Miami Township.

## Safety Services Now on Neighbors App

Chief Steve Kelly

Miami Township Public Safety Services are proud to announce that we have joined the Neighbors app to bring another layer of information sharing to our community. Neighbors is a free app by Ring designed to help community members connect and stay informed about local public

safety incidents – whether they own a Ring device or not. Millions of residents across the country are using the Neighbors App to make neighborhoods safer for their families, friends and neighbors. Although this app is not monitored by public safety agencies 24/7, it will give us the ability to view, post and respond to crime and safety-related information that is posted on the Neighbors App by our residents.

User privacy is always protected through this app and does not allow public safety agencies to view your cameras, phones, live streams or any personal information. We can only view posts and videos or other information that you share. Additionally, the Neighbors App does not provide us with the addresses for any devices that are on the app. We can share messages with our residents, and they can share with us through the safety of the anonymity of the app. Here are some of the features and information on how you can sign up.

### STAY INFORMED

Get real-time, hyper-local information about what's going on in your community, through crime and safety alerts from users near your home.

### ALERT YOUR COMMUNITY

Post and share important crime and safety information in the following categories: Crime, Safety, Unknown Visitor, Lost Pet or Neighborly Moment. Once an alert is posted, you can comment with updates and inform your neighborhood when the incident has been resolved.

### CONNECT WITH NEIGHBORS

View and comment on publicly posted videos, photos and text-based posts shared by local users through your Neighbors App feed.

### PERSONALIZE YOUR EXPERIENCE

Customize what type of incident alerts you would like to receive and how often you would like to receive them by selecting from the available crime and safety categories.

### PRIORITIZING USER PRIVACY

Choose what content you wish to share and how you want to engage with your neighbors on the app. The Neighbors App was designed to keep users in control of what is shared with their neighborhood.

### SUPPORT FROM LOCAL PUBLIC SAFETY

In some neighborhoods, local police and fire departments have joined the Neighbors App to engage with residents. When using Neighbors, public safety agencies can view and respond to publicly posted content from residents, send real-time alerts and request assistance from residents related to local public safety incidents.

### FREE AND ACCESSIBLE

The app is free to join and you can connect with your community by downloading Neighbors for iOS, Neighbors for Android and Neighbors for FireOS. You do not have to own a Ring device to join the Neighbors App and help make your neighborhood safer.

## Live Oaks Planning Campus Upgrades

**Brian Elliff**  
Planning & Zoning Administrator

The Live Oaks Vocational High School in Miami Township is one of four vocational high schools under the umbrella of the Great Oaks Career Campuses. The Great Oaks Career Campuses include Diamond Oaks in Cincinnati, Laurel Oaks in Wilmington and Scarlet Oaks in Sharonville. Great Oaks provides over 30 career programs available for high school students living

in 36 area school districts, including the Milford, Loveland and Clermont Northeast local school districts.

Miami Township's own Live Oaks campus contains over 119 acres located at 5956 Buckwheat Road. First constructed in the 1970's, recently Community Development staff were excited to review a new addition to the Live Oaks campus building. In particular, the school is proposing a beautiful new atrium addition and pedestrian canopy to the main entrance. The new addition provides a dramatic new entryway to the Live Oaks main building.

## Happy Birthday Zoning

On August 1, 1960, the Miami Township Board of Trustees adopted Miami Township's first zoning resolution. The adoption was approved by unanimous consent of the Board, consisting of Mr. Potts, Mr. Molitor and Mr. Hardoerfer, all voting Yea. After being certified to the Board of Elections, adoption of the Zoning Resolution was affirmed by the voters of Miami Township on November 8, 1960, by a vote of the electors 3,235 in favor, 1,285 against. We're celebrating 60 years of zoning in Miami Township!

## The Miami Boat Club (Fun History)

The Miami Boat Club started as the Island Canoe Club in 1897, and later was renamed to the Miami Club in 1907, when it was purchased by members of the Camargo Country Club. In the 1920s, the Miami Club flourished as a "Speak-Easy" for members to get around prohibition. In the 1930s, the Miami Club was renamed to Miami Boat Club to give members reciprocity with other yacht clubs around the United States.

Described as the world's greatest wiffleball stadium, the Dick Will stadium was constructed in the summer of 2012, and opened September 1, 2012 in Miami. The stadium has over 46,000 views on YouTube and was created in honor of the late Dick Will, an avid wiffleball player. The venue plays host to the Leaky Classic wiffleball tournament, which bills itself as the oldest running wiffleball championship in the United States.

## New Parks Supervisor

Brad Roettele

**Brad Roettele** has been named the Service Department's new Parks Supervisor. Brad is not new to the Miami Township Service Department, though. He has been with the department, full time, since January of 2019 and formerly worked here as a part time employee.

Brad is a native to the area, attended Milford school and still lives in Miami Township with his wife Jessie, and soon to be adopted daughter Brayla. Before coming to the Miami Township Service Department, he was with Springfield Township Service Department. In his free time Brad likes to ride his motorcycle and spend time at Lake Cumberland with his family.

We congratulate Brad and wish him many years of success here in Miami Township!

## Brush Vouchers

Miami Township residents can drop off tree limbs and brush at Bzak Landscaping year-round. Bzak Landscaping is located at 931 Round

Bottom Rd. They will accept all limbs and brush from Miami Township residents at no charge who present a free voucher. The vouchers are available at the Miami Township Civic Center, or at the Miami Township Police Department between the hours of 8:00 am and 4:00 pm, Monday-Friday.

Proof of residency is required to obtain a voucher. One voucher is required per load. There is no limit to the amount of vouchers issued per resident. Please contact the Service Department at 248.3728 with any questions.
