## Historic Miami Township Unveiled

We are excited by the recent unveiling of local artist and Miami Township resident, Kate Albert's painting "Historic Miami Township," at the Miami Township Civic Center. The painting is the first of seven county-wide murals celebrating the country's semiquintcentennial and is part of the America 250 Project.

"Historic Miami Township" was painted in Mrs. Albert's unique, whimsical style, and depicts some of the key happenings over the last few centuries that have made

the Township what it is today: a home to over 44,000 residents and numerous businesses.

You may not have known that at one point, Miami Township grew a large portion of the nation's peaches; or that a Chautauqua opened here in 1890 and became a destination for thousands; or that a farmer ploughing his fields happened upon a diamond; or that Lincoln traveled through the area via train!

There are 20 key elements (and a bonus!) depicted in the painting with a brief description of each. Scan the QR code in the photo to the right to access the painting online and to get more information.

Special thanks to the Clermont County Convention & Visitors Bureau for leading the America250-Clermont County effort; the Milford Miami Township Chamber of Commerce for managing this project; and Ed Brady of Marvelous Milford for providing information and research for the painting. The painting will become an outdoor mural on the wall of the Miami Township Fitness Court studio in Community Park in 2025.

The structure will face Buckwheat Road, so people going up and down the street, to the school, to the library, will get to see it on a daily basis and hopefully appreciate what a great representation this is of the history of our community. As a Board, we constantly challenge Township staff to find creative pathways for additional funding to bring new and innovative things into our community. The fitness court is being built using ARPA funds and an existing grant the Township received from the National Fitness Campaign via the Ohio Township Association. This will be one of only four such structures installed in southwest Ohio.

The painting provides a snapshot of our rich and diverse area to life. Visit the Civic Center to see the original, and you will see the mural on the Fitness Court coming to Community Park next spring!

## 'Shop with a Cop' Reflects a Generous Community

*Skip Rasfeld*  
Officer & Police Association President

Shop with a Cop is the annual extravaganza that provides holiday gifts and items to families in need to ensure a happy holiday season. Shop with a Cop has been a fixture in Miami Township since 2000 and continues as the Miami Township Police Association's biggest fundraiser and community event of the year. Gifts, including every day essentials like toiletries, dishes, clothing or school supplies to more fun items like games, toys and sporting equipment are purchased for families in need to brighten everyone's holiday season. Officers from the Miami Township Police Department, the Goshen Township Police Department, the Ohio State Highway Patrol and other agencies and departments volunteer their time to shop with children that have been selected to partake in the event by local school personnel and our own School Resource Officers.

This year's Shop with a Cop event took place on December 11<sup>th</sup>.

The event was held at the Meijer store on State Route 28 in Miami Township. There were over 150 children invited to go shopping with countless officers, firefighters, Citizens' Police Academy Alumni Association members, Public Safety Cadets and others volunteering their time to ensure a memorable event. Each child is allowed to buy \$200 worth of gifts for their family and themselves.

MIAMI TOWNSHIP POLICE  
**SHOP with a COP**  
Supported by Businesses & Residents of Miami Township

Griff's Custom Cleaners partners with Shop with a Cop to collect coats to make sure each and every child and family have warm coats for the winter months. Griff's Custom Cleaners, located at 1019 State Route 28 in Miami Township, collects coats all year long if you want to donate a new or gently used coat. There is always a bigger need for children's sizes. To supplement the coat drive, the Miami Township Police Association also purchases over 100 new child sized coats to give away.

The Miami Township Police Association is a 501(c)3 public charity - so donations are tax deductible per IRS regulations and accepted all year long. If you would like to donate to this great cause, there are two ways in which to do so:

- Mail a check to the Miami Township Police Department at 5900 McPicken Drive, Miami Township, OH 45150. Make checks payable to Miami Township Police Association and, in the memo line, please write Shop with a Cop.
- The other way to donate is via the Miami Township Police Association's Charitable Venmo account. Search *@MiamiTownshipPoliceAssociation* or scan the QR code.

Thank you for your support!

## Citizens Police Academy Graduates 29<sup>th</sup> Class

The MTPD graduated 17 citizens from the Citizens Police Academy. This is the 29<sup>th</sup> class to graduate from the Academy since it was established in 1998. To date, over 400 citizens have completed the Academy.

The Citizens Police Academy is a ten week program that meets one evening per week and introduces students to different functions and components of the Police Department.

Congratulations to the students of Session XXIX of the Miami Township Police Department Citizens Police Academy! We at Miami Township look forward to a very successful partnership for many years to come.

For more information about the Citizens Police Academy, contact Lieutenant Dan Tobias at (513) 248-3721 or visit us on the web at *MiamiTwpOH.gov*.

## Strategies to Thwart Porch Piracy

Staci Dold  
Officer

With the holiday season upon us, the volume of shipping and receiving packages will surge. This time of year, we aim to help you protect your valuable parcels and gift cards from porch pirates who might steal them.

While it's impossible to completely eliminate theft, research indicates that implementing the strategies outlined below can significantly deter those Grinches and Scrooges from spoiling your holiday spirit. We recognize that some suggestions are more budget-friendly than others, but using a mix of these methods has been shown to reduce package theft by 83%, according to a study conducted by the University of North Carolina. Pick the strategy that works best for you from these suggestions:

- Take advantage of package tracking. Package tracking provides you with the visibility to see your items move through the supply chain and determine the delivery time of your products.
- Require signatures for delivered items. Signature deliveries ensure that the product is being delivered to the correct recipient and provides proof in the event of a mishap.
- For Amazon purchases, consider using Amazon lockers or the Amazon Prime Key, which allows secure delivery inside your garage. You can also give delivery instructions to have packages left at the back of your home.
- Opt for delivery to pickup locations like UPS AccessPoints or FedEx hubs.
- Invest in a porch lockbox that offers a slot for deliveries or a code for the delivery driver.
- If possible, have packages sent to your workplace.
- Coordinate with trusted neighbors, friends, or family members to receive your deliveries.
- Get a PO Box from your local Post Office. These boxes are located inside the Post Office and require key access.
- Install a doorbell camera or mailbox sensor. The presence of surveillance is a strong deterrent against potential crime.
- If you plan to be away, reach out to the Miami Township Police Department to arrange a Vacation House Check (VHC). While you're gone, officers will visit your property as time permits to ensure doors are locked and the home is safe. This service provides an extra layer of security, even if it's not package-specific.

In conclusion, your Miami Township Police Department wishes you a safe, healthy, and theft-free holiday season! For any inquiries, please contact us at: (513) 248-3721.

I cannot believe another year is in the books as 2024 absolutely flew by! I love the change in seasons as it allows us time to lay out our

vision for the next 12 months, and all I can say is bring on 2025! You will discover some of the fun and unique new programs and events within this newsletter so please don't skip a page.

We love tradition so the daddy daughter themed dance, Bows & Bowties, will be back and better than ever on FEB 7 and 8. We heard you moms and sons, so join us on Thursday, MAR 6 for our first ever mother son themed event, Game On!, taking place at Miami Township's very own Scene 75.

If you are 21+ years of age, you are not going to want to miss what we have in store for you in 2025. It will start with our attempt at an "adult prom", but instead of rewinding to your high school days, we want to relive the thrill and fun of a great wedding reception... without the nuptials. We are proud to present, Wedding Crashers at the Civic Center on Saturday, MAR 1. This amazing night will be full of live music, great food, adult beverages and tons of laughs. Take a couple weeks to recover from the party of a lifetime and rest up for our 1st Annual Adult Egg Scramble at Miami Meadows on Saturday, APR 5. Don't miss out on this amazing collaboration between Miami Township Recreation and the Milford Miami Township Chamber of Commerce as we provide an event like none other with music, food trucks, adult beverages, hilarious games/contests and best of all...an EGG SCRAMBLE where you can win tons of amazing prizes!

Thank you for making 2024 a great year and please make sure to follow Miami Township on Facebook and Instagram as we continue to provide more information and maybe a few surprises in the coming months because we can't wait to continue helping you and your families make "permanent reminders of temporary feelings."

### Ben Jacobs' Series

Ben earned a master's degree in finance from the University of Cincinnati and served as an Infantry soldier in the United States Army and Army National Guard for 9 years. He is the founder of Jacobs Wealth Management, LLC. Ben has a true dedication and passion to help others reach their financial goals through financial planning and investment management. Ben volunteers his time to teach these classes.

### BEGINNING INVESTING

Have you socked away money for a rainy day and now you have built up a nest egg and are wondering what to do with it? Is your bank giving you a low interest rate and you know you can make more? Learn to understand basic investment concepts such as how stocks and bonds work, the differences in mutual funds vs Exchange Traded Funds (ETF's) and how annuities work. Ben has come across many heart-breaking situations where people invest their money in the wrong type of investments.

## Fire Safety Tips for Winter

Bob Foppe  
 Battalion Chief

As winter approaches, the cozy allure of crackling fireplaces and twinkling holiday lights fills the air. However, this season also brings an increased risk of fire hazards. Miami Township Fire & EMS wants to ensure your home remains safe and warm. Here are essential winter fire safety tips to keep your family and property protected.

### **Inspect Your Heating Equipment**

Before using your heating system, have it inspected by a qualified technician. This includes furnaces, space heaters, and fireplaces. Ensure all equipment functions correctly and safely.

### **Use Space Heaters Safely**

If you rely on space heaters for warmth, follow these safety guidelines:

- Keep a distance of at least three feet from flammable materials, such as bedding, furniture, and curtains.
- Never leave space heaters unattended, especially when you go to bed or leave the room.
- Choose models with automatic shut-off features for added safety.

### **Maintain Your Fireplace**

Before lighting your first fire of the season, ensure your fireplace and chimney are clean and free of obstructions. Have a professional inspection and cleaning if you haven't done so in the last year. Use only seasoned wood to reduce creosote buildup and avoid burning paper or trash.

### **Test Smoke Alarms and Carbon Monoxide Detectors**

Cold weather can cause heating systems to malfunction, leading to carbon monoxide buildup. Test your smoke alarms and carbon monoxide detectors monthly, and replace batteries as needed. Ensure there is at least one detector on each floor of your home.

### **Be Cautious with Holiday Decorations**

If you're using holiday lights, inspect them for frayed wires or broken bulbs. Turn off all lights when you go to bed or leave the house. Opt for flame-resistant decorations and keep them away from heat sources.

### **Have an Emergency Plan**

Create and practice a fire escape plan with your family. Make sure everyone knows two ways to exit every room and designate a meeting spot outside. Regularly review and update your plan as needed.

Follow these winter fire safety tips to enjoy a safe and joyful season. For more information or to schedule a safety inspection, please contact our Community Risk Reduction Division at [publiceducation@MiamiTwpOH.gov](mailto:publiceducation@MiamiTwpOH.gov)

Stay warm, stay safe, and happy holidays!

## Miami Township Dining Guide

Brian Elliff  
Planning & Zoning Administrator

In October, the Community Development Department went “live” with the brand new Miami Township Dining Guide. Using the Township’s ArcPro GIS software, Township Planner Jamie Kreindler fashioned a new map showing the restaurant locations throughout MT, as well as a descriptive key identifying the restaurant names, cuisine type and location. If you need a place to go to eat in MT, check it out!

Here’s a fun quiz. Check out the guide to see if YOU got the answers right (answer key at the bottom of the page)!

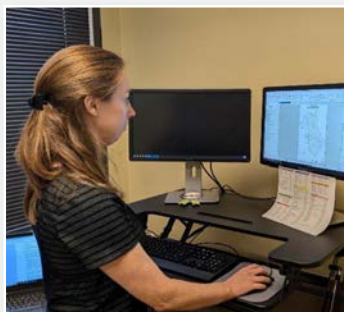

1. How many eateries are in Miami Township?
2. How many different food varieties are served at MT eateries?
3. American Food at 25 is the most common variety, followed closely by Fast Food at 21. What is the next most common food type available in MT?
4. Which area within MT boasts the most places to eat: Business 28, SR 28, SR 131, or Loveland Miamiville – BHGP Crossroads?
5. Three different restaurants have two locations in Miami Township, can you name them?

You can find the complete Miami Township Dining Guide by visiting [MiamiTwpOH.gov](http://MiamiTwpOH.gov).

## ArcGIS Used to Update PD District Maps

Recently Township Planner Jamie Kreindler was able to put her GIS skills to work, helping the Miami Township PD to update their precinct map. The map was last updated around five years ago. Using the 2024 road and boundary data provided by the County, this map accurately reflects the four law enforcement districts in the Township. The base map was created using ArcGIS and Adobe Illustrator. The GIS allowed us to create a high quality map that will be helpful to the PD in planning its coverages. The map is used mainly for training purposes for new officers to orient themselves with the Township boundaries as well as the district areas.

## Two Big Projects at Township Parks

Chris Burdsall  
 Service Director

If you've been to Miami Riverview Park lately, you might have noticed the new tennis, basketball, and pickleball court complex. There are four pickleball courts, one basketball, and one tennis court. The complex is surrounded by a ten foot high fence and also has a shaded area in the middle. We are very happy with the end product and think you will be, too.

At Community Park, concrete for the new Fitness Court has been poured, consisting of sidewalk and a large pad for

the court itself. The court will be installed in spring when weather allows. The Fitness Court is designed to open the door to active groups of all profiles and ages, creating the ultimate wellness hub and attracting greater numbers of people.

These two projects were not funded by Township levy funds. The courts at Miami Riverview Park were funded by a state capital grant in partnership with federal ARPA funds - American Rescue Plan Act coming from the federal government. The fitness court was built using ARPA funds and an existing grant the Township received from the National Fitness Campaign.

Staff works very hard to stretch dollars and find creative ways to offset costs. We want residents to know we are always looking for ways to make our existing levy funds last longer.

## Christmas Tree Recycling

Christmas tree recycling starts on December 26 and ends on January 31. The drop-off locations are at Miami Meadows Park at 1546 State Route 131 and Paxton Ramsey Park at 6265 Price Rd. Drop-off areas will be clearly marked at the parks.

### \*\*\* PLEASE NOTE \*\*\*

Only trees **WITHOUT** plastic tags, ornaments, tinsel, etc. will be accepted. The recycling company **WILL NOT** accept anything other than bare trees! Thank you for your cooperation.

## Park Restroom & Water Spigot Access

**REMINDER:** Restroom doors at Township parks are on timers, which lock the doors at a scheduled time each day and water lines, water fountains

and water spigots are turned off each year in late fall to avoid freezing pipes. We apologize for any inconvenience! Timers are set to lock the doors as follows:
