## Welcome New Economic Development Manager

As part of Miami Township's strategic planning process performed in 2024, one of the items continually discussed and highlighted was economic development within our community. Township staff took steps to start working on assessing current conditions and needs with regard to vacant land and buildings that could be redeveloped. They also looked at potential projects Miami Township could compete for regionally and our current retail landscape.

Last year, the Board strategically appropriated existing ARPA funds to afford the Township the ability to enter into agreements with the Retail Strategies Group and the Envision Group to help evaluate and navigate the economic development needs of our community. Staff will be working to see the results and benefits of those projects in 2025 and 2026. Additionally, they continue to partner with REDI Cincinnati, our regional economic development engine, to find opportunities to attract new businesses to the Township.

One of the roles viewed as beneficial for assisting with our focus on, and dedication to, rebooting economic development in Miami Township was that of an Economic Development Manager. This role would solely focus on the needs of our community as it pertains to new development, redevelopment, and business retention and expansion efforts. This position works closely with the Township Administrator and our Community Development Department to ensure that Miami Township is in the best position to compete for new businesses and assist with developing business relationships. We continue to value the relationships we have with our local businesses and believe that this new position will enhance those relationships and allow us to realize more positive impacts across our entire community.

We are excited to introduce Jennifer Ekey as the Township's new Economic Development Manager. With over 30 years of government experience, Jennifer Ekey has made a significant impact in the fields of Economic and Community Development, Workforce Development, and Planning and Zoning. Throughout her distinguished career, she has served the communities of Hamilton, Middletown, Harrison, and Dublin as well as Clinton County. This extensive experience has provided her with a unique perspective, balancing visionary strategies with a deep understanding of local government operations.

**Jennifer Ekey**  
Economic Development Manager

Ms. Ekey's leadership and expertise have been widely recognized. In 2010, she was named one of the Cincinnati Business Courier's "40 Under Forty." In 2019, she received the Development Professional of the Year award from the Ohio Economic Development Association. Her professional involvement includes serving as a Board Member and Conference Chair for the Mid America Economic Development Council, as well as past Board Chairman and Chair of the Annual Summit for the Ohio Economic Development Association.

Ms. Ekey believes that community, economic, and workforce development go hand in hand. Like a three-legged stool, all must be present and balanced in order for a community to grow and prosper. Welcome, Jennifer!

## Join the Miami Township Citizens Police Academy!

**Staci Dold**  
Officer

Are you interested in learning about the daily operations of the Police Department that serves you? Do you want a glimpse behind the scenes to understand the reasoning behind their decisions? Or maybe you are simply seeking an engaging weekly activity that's interactive, enjoyable, and a fantastic opportunity to meet new people! If any of this resonates with you, the Miami Township Citizens Police Academy is the ideal choice.

The Citizens Police Academy (CPA) takes place each fall and is designed to promote citizen involvement in crime prevention through fostering connections within the community. This 10-week program takes place each Wednesday night beginning in

September and running through the beginning of November for approximately three hours each session offering citizens a chance to gain insight into the workings of a police department and experience what it truly means to be a police officer. A significant portion of the training will be hands-on, with meals supplied by the Police Department for most evenings! Some of the topics covered include:

- Police K-9 Operations
- Clermont County Jail tour
- Drone Operations
- Active Threat Response
- A visit from Air Care
- Police Use of Force
- Gun safety

Moreover, the course offers residents a chance to meet and familiarize themselves with the officers who will be responding to their potential future calls for assistance. The CPA also provides an opportunity to continue to interact with and volunteer in a capacity that directly affects the Miami Township Police Department after graduation from the 10-week course through the Miami Township Police Department Citizens Police Academy Alumni Association (CPAAA). CPAAA members participate in various events such as National Night Out, Shop With A Cop, the Holiday Parade, and more.

Anyone considering applying must be a minimum of 18 years of age and be willing to submit to a background check. There are a limited number of spots open for each class, with priority given to Township residents. Applications are processed in the order they are received. If the available spots for the upcoming fall course are filled, you'll be added to the waiting list and considered for placement in the academy for the following year. For more information or to apply, please visit the link provided:

You can find more information at [MiamiTwpOH.gov/pd/cpa.html](https://MiamiTwpOH.gov/pd/cpa.html)

# MIAMI TOWNSHIP RECREATION

Ryan Himes

Well, that was an interesting summer, wasn't it? Sprinkled in throughout the heavy rain were amazing, and full summer camps. And who can

forget the amazing Taylorville: An Unofficial Taylor Swift Tribute at Miami Meadows Park? I know the Recreation Department won't anytime soon, as that was the most exciting and worthwhile event I have ever had the privilege of planning. Thank you to all who spent that day with us and enjoyed the positive vibes, laughs, awesome vendors, and amazing food & beverages! A special thanks goes out to the men and women of the Service, Police, and Fire/EMS Departments who made the event possible and safe!

Now, just like the seasons, we change and point our attention towards the amazing Fall events and programs we have planned for you all. Some of the most exciting are:

- Saturday, September 20th, **Vintage Baseball Game & Sandlot Movie** at Miami Meadows Park 5-11 pm

- Saturday, October 18th, **Harvest Fest & Community Bonfire** at Community Park & Leming House 6-9 pm

- Thursday, November 20th, **Miami Township Holiday Parade** on Business 28 beginning at 7 pm

- Friday, December 5th, **Community Tree Lighting** at Community Park & Leming House 6-8 pm (new day and location)

Follow us on Facebook for the latest on what amazing Food Trucks, vendors, and other activities will be part of these events!

Following the theme of change, I wanted to take the time to thank our recently retired Recreation Program Coordinator, Brenda Wilson, for her 22+ years of service to Miami Township and its Recreation Department. We hope your retirement brings you nothing but joy and happiness.

## ADULT ACTIVITIES

### Pre-registration Required

Check online to get a complete description. Registration closes 24 hours before class starts.

### WINGS IN WINTER

Discover how our feathered friends survive the coldest season—and how you can lend a hand! Feeding them is just one small part of the story. Join us as we explore the fascinating strategies birds use to endure winter, take a “virtual” winter bird walk, and even uncover the secret lives of kinglets! This engaging indoor program is led by Andy Fix, a longtime Milford resident, naturalist, bird enthusiast, and photographer. The presentation will include photographs by the speaker, with opportunities for audience participation. Adults age 18 and older are welcome. Tuesday, JAN 13 **or** Wednesday, JAN 21, 6-7:00 pm; **MTCC**; \$10 (Person)

### MYSTERIES OF THE MARSH

Take a leisurely walk around the cattail marsh at the Spirit of '76 Memorial Park in Miami Meadows and discover the fascinating plants and animals that call it home. We'll search for birds, insects, and other pond life while exploring how these creatures prepare for the changing season. Ever wonder if frogs can really freeze? You might just find out! The walk is led by Andy Fix, a longtime Milford resident, naturalist, bird enthusiast, and photographer. This is an outdoor program, so please dress for the weather and wear comfortable walking shoes. Meet at the Korean War Memorial parking lot at 1546 SR 131. Adults age 18 and older are welcome. Sunday, OCT 5, 11-Noon **or** Saturday, OCT 11 2-3:00 pm; Spirit of '76 Memorial Park at **MM**; \$10 (Person)

### ADULT EGG SCRAMBLE

Who says Easter egg events are just for the kids? We are excited to bring you the second Miami Township Adult Egg Scramble. In conjunction with the Milford Miami Township Chamber of Commerce, this amazing event will take place at Miami Meadows Park and feature a DJ, food trucks, adult beverages, awesome competitions and best of all...PRIZES!!! Our scramble will kick off promptly at 6:00 pm, but join us for food, drink and tons of fun beginning at 4:00 pm. This event is for adults 21+ only. Sat, APR 11 (Rain Date APR 18) 4-8:00 pm (Ages 21+) **MMP**; **FREE** !!!

Join artist Terri Riddle to learn the art of quilling through themed projects. Quilling is the art of rolling and shaping strips of paper. It's a relaxing hobby that's easy to learn. All materials are supplied to complete each project.

#### THE DECLARATION OF INDEPENDENCE

The Declaration is unique in World history. It sets out who we aspire to be as a people and states the limits of government. We will talk about some of the events leading up to the Declaration, what is meant by “Natural Law”- the document's core -and examine Jefferson's deleted statement about slavery. Each participant will receive a free pocket U.S. Constitution. Wednesday, MAR 4, 6-7:30 pm **MTCC**; \$10 (Person) (No Drop Ins)

#### SIEGE OF CINCINNATI

In late summer of 1862 the Confederate Army put the City of Cincinnati under siege. General Lew Wallace, future author of Ben-Hur, was appointed to command the city's defense. He decided to fight the Rebels from Northern Kentucky by building a series of forts and connecting them with

trenches. Ohio home guard units and civilians came. Raw recruits from Camp Dennison were deployed. Union veterans from the Battle of Pea Ridge, Arkansas were brought to the front lines as well. The siege was lifted several days later when the Confederates withdrew. This class will relive the days when the area was under the threat of war.

Wednesday, MAR 18, 6-7:30 pm

**MTCC**; \$10 (Person) (No Drop Ins)

#### CLERMONTERS IN THE PHILIPPINES

The Spanish American War and its successor, The Philippines War, spawned a tremendous bolt of energy in Clermont County. The island nation attracted people from the county for 40 years. We will examine this little-known episode of our county's history by highlighting the lives of those who he went to the Philippines, including: a female war correspondent, the police chief of Manila, a businessman known as the “Gold King of the Philippines”, a Marine who led the first shore party to the country and more.

Wednesday, APR 8, 6-7:30 pm

**MTCC**; \$10 (Person) (No Drop Ins)

#### THE FOUNDERS

The year 2026 marks the 250th anniversary of America's founding. We were blessed to have a group of talented, devoted men known collectively as “The Founders” who created our American Republic. We will look at the lives and contributions of Ben Franklin, Thomas Jefferson, George Washington, James Madison and Alexander Hamilton.

## AED Availability in Miami Township Parks

**Austin Brown**  
 Lieutenant

Miami Township is dedicated to safeguarding the health of residents and visitors by installing Automated External Defibrillators (AEDs) at strategic

locations throughout its park system. These life-saving devices are monitored monthly by Miami Township Fire & EMS to ensure operational readiness.

- **Community Park** – 5951 Buckwheat Road. This location has two AEDs: one inside the Leming House and another outside facing Buckwheat Road.
- **Miami Meadows Park** – 1546 state Route 131. This location has two AEDs, one at each restroom.
- **Miami Riverview Park** – 587 Branch Hill Loveland Road. This location has one AED at the restroom.
- **Paxton Ramsey Park** – 6265 Price Road. This location has one AED at the picnic shelter.

According to the American Heart Association, 436,000 Americans die from cardiac arrest every year. More than 350,000 cardiac arrests occur outside of hospitals, with 73.4% happening in homes or residences and 16.3% in public settings. In 2023, only 40.2% of individuals who experienced an out-of-hospital cardiac arrest received bystander CPR.

Every year, Miami Township Fire and EMS trains 300-400 people in CPR and AED use. Over the years, thousands have learned these skills.

### Directions for Using an AED

AEDs are designed for use by lay rescuers and provide clear voice prompts. In the event of a non-breathing adult or child (over eight years of age), follow these steps immediately:

1. Ensure the scene is safe.
2. Call 911 or instruct a bystander to call.
3. Turn on the AED and adhere to the voice prompts.
4. Expose and dry the individual's chest.
5. Affix electrode pads as illustrated (upper right chest and lower left side).
6. Connect the pad cable if prompted.
7. Confirm no one is touching the patient; announce "CLEAR!"
8. If advised, press the shock button when prompted.
9. Resume CPR (30 compressions to 2 breaths) immediately after any shock or when no shock is advised.
10. Continue CPR and AED guidance until EMS arrival or the patient shows signs of life.

Continue CPR and AED guidance until EMS arrival or the patient shows signs of life.

### CPR & AED Training Opportunities

Miami Township Fire & EMS offers AHSI CPR & AED certification courses for individuals and organizations. Sessions cover:

- Adult, child, and infant CPR techniques
  - Choking relief procedures
  - Hands-on AED operation
- All training is conducted at the Miami Township Public Safety Training Center:
- Miami Township Public Safety Training Center 5904 McPicken Drive, Miami Township, OH 45150 To register, call (513) 248-3700.

Training also takes place upon request for groups and businesses.

If you have not taken a class or need a refresher, it is time to sign up. Go to [MiamiTwpOH.gov/fd/cpr.html](https://MiamiTwpOH.gov/fd/cpr.html). It is a small way to make a BIG difference!

### Additional Resources

- Keep the Township's CodeRED notifications enabled for emergency alerts.
- Report any AED that appears tampered with or expired to Miami Township Fire & EMS immediately.

Staying prepared and knowing where these AEDs are could help save a life in our community.

# COMMUNITY DEVELOPMENT

Brian Elliff, Planning & Zoning Administrator

Community Development Office: (513) 248-3731

## Properties Submitted for Demolition

**Brian Elliff**  
Planning & Zoning Administrator

Zoning staff along with officials from the Clermont County Community + Economic Development Department were able to obtain the agreement of two property owners here in MT to participate in the Port Authority's blighted structure demolition program. That program allocates state funds to demolish and remove dilapidated structures at no cost to the property owner or to the Township.

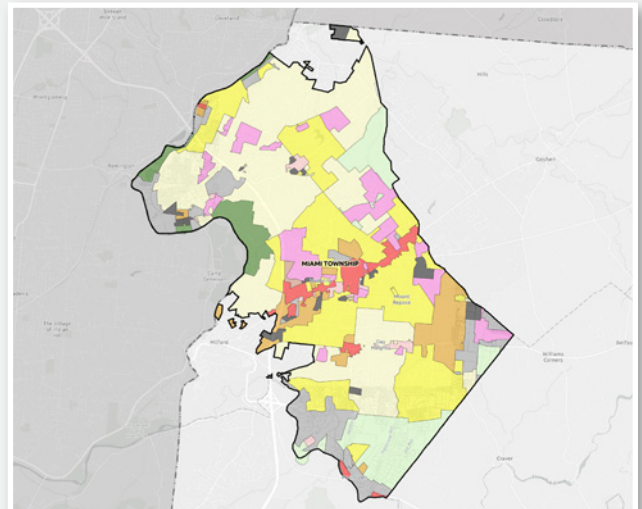

One property is located on Donnelly Drive, and the other appears to be an old tavern on US 50. Cleaning these up will be a huge improvement to the Donnelly Drive residential neighborhood, as well as to the MT commercial corridor along US RT. 50.

Miami Township recently took advantage of the same program removing the old structures on the former Donahoo (at Bypass 28 & Wolfpen Pleasant Hill Road) property and that turned out very nicely.

## Interactive Zoning Map – Now Live!

A common question we receive in the office is, "What is the zoning of my property?" Previously we had the "zone checker" routine online, which worked pretty well, but that has been retired in favor of our new GIS-based Interactive Zoning Map. Now, you can search for your property based on a variety of criteria like Owner's Name, Address or Parcel Number and find helpful information such as the zoning district, zoning regulations, parcel numbers, and much more. In addition to finding your zoning, the map links to the Clermont Auditor's data base, so all that information is easily accessible.

The GIS layers update every night, so that the information remains current. It's now a one stop site for all your parcel information, right here on the MT website. In addition to all the parcel data, the 2025 Township aerial photo is also available to view as part of the map. MT GIS consultant Chris Surber did an amazing job on this project for us, and the map should provide great value to the residents and businesses!

If you have any questions about this interactive zoning map, feel free to contact Community Development staff at (513) 248-3731.

## Notable Projects in the Township

**Chris Burdsall**  
 Service Director

The Miami Township Service Department is proud to report the completion of numerous notable projects after a busy summer. Thank you to residents for their patience, and to Service Department personnel for the great work! Here are some of the more visible projects you might have noticed:

### 2025 ROAD IMPROVEMENT PROGRAM

All resurfacing has been completed as of August 6th with Pavement Technologies has completed the addition of Reclamite on all the resurfaced roads. Reclamite restores the reactive maltene components that asphalt pavements lose due to hot-plant operations and the subsequent field aging process, penetrating the surface deeply to protect against air and water intrusion, and extending the life of the asphalt.

### DRY RUN AND SUGAR CAMP ROAD REPAIRS

After heavy storms and rain earlier in the summer, several areas of Dry Run and Sugar camp roads were washed out. Service Department crews worked diligently to restore the roads and reconnect culvert pipes that had been damaged by high water.

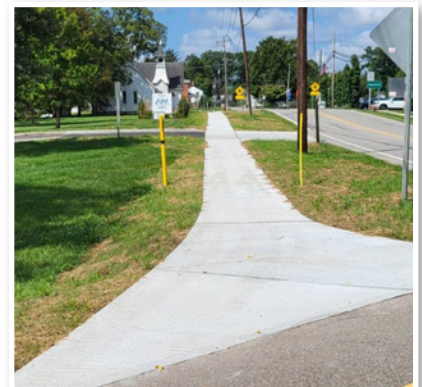

### MIAMI MEADOWS FENCE REPLACEMENT

Work on the replacement fence wrapped up in mid July. The new fence included larger steel posts to better support the structure and prevent damage from storms and winds. The previous fence was damage by straight line winds and fallen tree limbs during a storm earlier this year. A large portion of the replacement was covered by insurance.

### MIAMIVILLE SIDEWALKS (Phase I)

The new stretch of sidewalk in Miamiville goes along SR 126 from Main Street and to The Little Miami Bike Trail. Not only does it provide better safety for residents and visitors, it connects the area to the bike trail.

### WEBER ROAD CROSSWALK

Prior to the crosswalk being installed, contractors discovered a completely deteriorated culvert beneath the work site. Township personnel replaced the culvert and work was completed with pavement markings after Weber Road was repaved as part of this year's program.

### IBOLD CULVERT REPAIR

A contractor removed the old culvert and put in an improved storm system. A void and subsequent sink hole had developed at the site. Emergency repairs were completed in conjunction with funds made available by the Ohio Public Works Commission (OPWC).
