## New Tenant or Business Requirements

Miami Township Fire & EMS is committed to making our Township a safe place to live, work, and play. We appreciate all businesses, homeowners, and organizations that commit to our community and work to develop the land within it.

As Fire Code Officials, we are responsible for assisting owners in ensuring the safety of those within our community, especially in commercial occupancies. To help inform you of potential needs for your business, I wanted to share these recurring expectations. Ultimately, the property owner is responsible for maintaining a safe environment for those in their building.

Upon moving into a space within Miami Township, the following steps are needed:

- Current Zoning Certificate
  - [www.miamitwpoh.gov](http://www.miamitwpoh.gov) and visit the "Zoning" tab or call (513) 248-3731
  - Zoning certificates are needed for the following (but not limited to)
    - New business
    - New building
    - Signs / monument signs
    - Additions or alterations
- Current Building Department Issued Occupancy Permit posted and available
  - Required for any business change or change in operations within a location
    - The Ohio Building Code (OBC) and the Residential Code of Ohio (RCO) requires that a VALID Certificate of Occupancy be issued before any building or structure can be used or occupied. The certificate indicates the conditions under which the building shall be used. The building owner shall only use the structure in accordance with valid Conditional or final Certificates of Occupancy.
  - Apply at <https://permit.clermontcountyohio.gov/> Call (513) 732-7213 with questions
    - Look for Permit Application
- Schedule your initial fire inspection
